Subject: Industrial Training with Internship Confirmation

Dear Sir/Madam,

Thank you for the interest shown in our organization for executing industrial training and internship modules.

We are pleased to inform you that **Fakir Mohammad Kasim Salim Shah** has been successfully accommodated for industrial training at Kiran Academy.

During the training tenure, the candidate will actively collaborate on an engineering live project. This structured curriculum will be conducted directly under the guidance of Kiran Academy's Expert Technical Team to systematically enhance practical software engineering capabilities through focused industrial sessions.

The technical training engagement will be for a duration of six months. We look forward to a highly productive and collaborative training association.
